

Important Message from the Chairman.

Covid 19 Virus

Due to the Covid 19 virus and government regulations the choir has suspended all rehearsals and concerts until further notice.

Members will be kept in touch with each other via a bi-weekly newsletter which the Committee will compile.

If you wish to make a contribution to the newsletter please send to me or any Committee member. Please send any personal news to John Smith. Contact details are in the Member's section of the web site.

I wish you all a safe journey through the coming months and look forward to singing with you again as soon as possible.

Peter Allen

Chairman
